

消防處- 迷你倉安全講座

(17 Mar 2017)

Dear All Members,

Luncheon Talk on Fire Safety in Mini – Storages

In the wake of the mini-storage fire at the Amoycan Industrial Centre, fire safety in Mini-Storages has sounded the alarm bells. FSD identified some fire hazards which were commonly found in mini-storages. Therefore, HKAPMC would like to organize a Luncheon Talk on “**Fire Safety in Mini – Storages**” and some experience sharing with our Members. Speaker from Fire Service Department has been invited, please refer to the following page with full details of the Luncheon.

Therefore, HKAPMC would like to hold a Luncheon Talk on “**Fire Safety in Mini – Storages**” and some experience sharing with our Members. Speaker from Fire Service Department has been invited, please refer to the following page with full details of the Luncheon.
