

Joint Press Conference on the Manpower Requirements in the Property Management Industry in Hong Kong 2016-2025

(12 Oct 2016)

The Association organized a Joint Press Conference on Manpower Requirements in the Property Management Industry in Hong Kong 2016-2025 with The Hong Kong Institute of Housing, Chartered Institute of Housing Asian Pacific Branch and Housing Manager Registration Board on 12th October, 2016. The objective of the Joint Press Release is to address the public's concern on the overall manpower requirements in 2016-2025 in the industry under the licensing scheme of the Property Management Services Ordinance. The forecast of the manpower requirement and supply of licensed property management practitioner to cope with the government's long term housing strategy to provide 460,000 housing apartments was also addressed in the conference.
